IMPROVING LIVES THROUGH EDUCATION®

Australasian Academy of Mentoring and Coaching (AAMC) Training Group is an Australian owned, nationally Registered Training Organisation (RTO 51428) that delivers certified training across a number of industries both within Australia and internationally.

Whether you are looking for your first job, a promotion, a career change, or you need extra knowledge and skills, AAMC Training can help! AAMC Training works closely with industry and employer groups to ensure training is both relevant and of a high standard.

AAMC Training offers flexible options for your learning, to suit busy lifestyles and preferred individual learning styles. We support the learning objectives, planning and principles of our Australian and international corporate clients. We have strategic partnerships both nationally and internationally which enhance and broaden our service offering to clients.

Face to Face
Blended classroom tutorial sessions, combined with home study.

Correspondence
Self-paced learning with the use of a course manual. Online access to assessments.

Online
Self-paced learning with the use of online material and assessments.

Recognition of Prior Learning (RPL)
The process of formally recognising the current competency of an individual.

At AAMC Training quality is fundamental to how we do business. Our experience, knowledge, understanding and vision of the industries we support puts us ahead of the rest!

Large and small organisations trust AAMC Training to provide the professional learning services they require.

Recognition of Prior Learning (RPL)

At AAMC Training quality is fundamental to how our experience, knowledge, understanding and vision of the industries

OUR SERVICE

We believe in professional and personal service:
• A diverse range of courses
• Flexible study options
• Industry experienced trainers
• Continuous Professional Development
• Exclusive on-site training (for 10 or more)
• Nationally accredited qualifications
• Smart technology
• Dedicated account management
• Environmentally responsible
• Tailored solutions to meet your individual needs

This makes us a true single source supplier of training solutions.

Enrolment into any of our courses will provide access to AAMC Training’s Learning Management System (LMS) - a free online tool providing training plans and continued professional development records to individuals and management (if required).

AAMC Training monitors training and/or assessment services provided on its behalf to ensure that they comply with all aspects of the VET Quality Framework and the Standards for NVR Registered Training Organisations 2011.

AAMC Training demonstrates its commitment to the environment by supporting Carbon Neutral with a pledge to plant a tree for each student undertaking one of our certified face-to-face or correspondence courses.

GOVERNMENT FUNDING?

Do you have staff that need training or are you looking to take on a new staff member? If so you may be able to receive support from the Australian Federal Government. Grants are offered for up to $4,000 per eligible employee (Australian residents only)! State funded opportunities may also be possible to reduce the cost of your training.
