INTERNATIONAL TRAINING & ASSESSMENT COURSES (ITAC)
Stay Ahead. Be Competent

AAMC Training India Private Limited, a subsidiary of AAMC Training Group - Australia based Registered Training Organisation (RTO number 51428) and an accredited training partner of National Skill Development Corporation (NSDC) offers you the International Training & Assessment Courses (ITAC).

With ITAC, you can be certified vocational/skill development trainer and have the opportunity to work with different sector skills councils across India and abroad. ITAC helps you be a competent entrepreneur able to manage your own skills development programs and forge links with relevant government agencies.

The International Training & Assessment Courses (ITAC) are a set of internationally-relevant courses developed by the Australian Government, in partnership with industry, to help meet the global demand for skilled trainers and assessors.

Developed in consultation with the National Skills Development Corporation (NSDC), the ITAC aims to support NSDC’s mission to fulfill the growing need for skilled workers and narrow the gap between employee knowledge and the skills demanded by employers.

Who can enrol in ITAC?

- Trainers with a minimum of 2 years’ experience.
- Graduates interested to pursue a career in skills training.

Why you should take the ITAC?

- ITAC aims to develop international standard skills, improve employability and promote workforce mobility. ITAC participants become equipped with skills and knowledge they need to perform trainings and assessments in an international context.
- ITAC participants will develop confidence and capacity necessary to make reasoned judgments when training, including adapting teaching materials and learning techniques to meet industry and learner needs.
- ITAC participants will help meet the needs of industry and enterprises, by assessing learners’ skills and knowledge for the workplace.

Upcoming ITAC Course:

- **TVETC001 Trainer Course** – this course reflects the roles of individuals delivering training in the technical vocational education and training sector.

  **Date:** 15th February 2016
